20 Years of Empowering Businesses
with Infinite Potential

**Reliable
and trustful
Microsoft
Gold Partner**

Infinite Solutions is an IT company, located in Skopje, N. Macedonia, that offers fully fledged services for consulting, software development and engineering with focus on **Microsoft Platforms and technologies**. We are **Microsoft Gold Partner**, working mostly on the international market, with a highly skilled Microsoft Certified Team of Project Managers, Cloud Specialists, Consultants, Developers and Testers, proven on large-scale projects in companies with more than 1000 employees. We are **certified partner** of well-known IT brands like Microsoft, Fujitsu Technology Solutions, NetApp, etc.

Infinite is focused on implementation of **Business Applications** like Microsoft Dynamics AX2012 and D365 Finance and Operations, D365 Customer Engagement (CE), Power Platform, as well as on development of **custom-made software solutions**, with special focus on Cloud Solutions. We are highly experienced in Microsoft Azure, Power Platform, X++, .Net and React development. In terms of services, we offer Dynamics AX/D365 consulting, implementation, development, support, integration, testing, migration.

Our **value proposition** includes:

- **Competitive prices**
- **Highly educated and experienced Consulting and Development Team**
- **High quality products and services**
- **Domain Knowledge and specialization in business know-how**
- **International references and experience on large projects**
- **Geographical and cultural closeness to European countries**
- **Comprehensive Project Management (PMI, SCRUM)**
- **Microsoft Gold partner**

Over the last 20 years, Infinite Solutions has completed more than 250 projects across 27 countries on 4 continents, serving over 100 customers. Our extensive experience spans various sectors, including Financial, Services, Manufacturing, Logistics, Healthcare, and Government.

Infinite Solutions has a remarkable customer list and projects, serving global giants like Michelin, HPE, Microsoft, TAV, Johnson Matthey, companies' operating in multiple countries like Move One, ASCOM, Vienna Insurance Group, SAGlobal, large local companies, and various public sector entities, including government ministries and agencies.

Infinite Solutions prides itself on deeply understanding clients' businesses and providing end-to-end IT solutions, from scoping requirements to final delivery, maintenance, and continuous upgrades. We offer broad range of services and have a strong focus on delivering IT solutions tailored to our customers' needs in various industries and sectors. We emphasize true collaboration with customers and partners and aim to finish projects persistently.
